

Catholic Social Teaching at St. Teresa's

At St Teresa's we are committed to actively embodying the Gospel Values in order to truly live in Christ's footsteps. Catholic Social Teaching is an important call from our faith leaders to work for the common good of our planet and all its inhabitants, especially those in the greatest need.

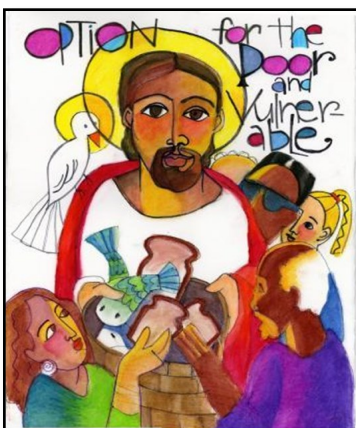

Each year group, from Foundation to Year 6, studies one of the key principles of Catholic Social Teaching in depth during RE lessons. This allows our pupils to begin the year with a firm understanding of the many ways we can actively shine the Light of Christ and make a difference to the lives of others.

Our work on Catholic Social Teaching continues throughout the year in our teaching in RE, RHE, citizenship, and Learning Focus topics. Outside of lessons, we endeavour to make real links between the values of our Catholic community and the lives of others. We actively seek out opportunities to show love, care and solidarity for those in need in our local community and further afield, through charity fundraising, environmental action, making links with community groups, and the work of our St Vincent de Paul Mini Vinnies.
