

## Sports Premium Statement 2019-2020

Amount allocated: £18690

Our vision at St Teresa's Catholic Primary School is to use our School Sports Premium to create a culture that encourages all children to be active and have a positive attitude towards physical activities and healthy lifestyles. We have used our funding this year to continue to develop our teachers so they may teach high quality PE and to offer a good level of competitive sports both within our school and at events in the local community. We have looked at ways to extend the range of physical activities on offer to the children, during PE lessons and clubs, whilst promoting and improving physical activity during playtimes.
